

# Regulated Waste Schedule

- ❖ EHSO collects chemical and radioactive waste from Emory operations on a weekly schedule
- ❖ Additional collection arrangements can be scheduled for special or emergency situations
- ❖ For questions, contact your EHSO Building Liaison, email [chemwaste@emory.edu](mailto:chemwaste@emory.edu) or call 404-727-5922

## Chemical Waste

Label container when waste is first added (Hazardous Waste Label)

Visit [ehso.emory.edu](http://ehso.emory.edu) and select "Waste Collection" to schedule a pick-up.

At this time you can request replacement containers.  
Container Sizes:  
Solid: 5 gallon, 2.5 gallon, and 0.6 gallon  
Liquid: 5 gallon, 2.5 gallon, 1 gallon and 1 liter

If any issues occur, please email [chemwaste@emory.edu](mailto:chemwaste@emory.edu)

## Radioactive Waste

Label container with isotope, EHS Assist number and PI when waste is first added

Log usage through [EHS Assist](#)

Submit collection and replacement container request through [EHS Assist](#)

Print and sign the Radioactive Waste Inventory form generated from [EHS Assist](#)

Complete activity and survey sections of container label
