TYPE AND INTENDED USE OF FACE COVERINGS / MASKS

Type				
	Cloth Face Cover	Dust Mask	Surgical Mask	N95
Description	<ul style="list-style-type: none"> ▪ Home-made or commercially manufactured face covering ▪ Washable ▪ Helps contain wearer's respiratory emissions 	<ul style="list-style-type: none"> ▪ Commercially manufactured mask ▪ Non-washable ▪ Provides comfort from nuisance solid particulates (e.g. dust, grass) ▪ Helps contain wearer's respiratory emissions 	<ul style="list-style-type: none"> ▪ Commercially manufactured mask ▪ Regulated under 21 CFR 878.4040 ▪ Creates physical barrier between wearer and immediate environment; <u>Provides droplet protection</u> ▪ Helps contain wearer's respiratory emissions 	<ul style="list-style-type: none"> ▪ Commercially manufactured mask ▪ Regulated by CDC, NIOSH, OSHA, FDA ▪ <u>Provides respiratory protection</u> from airborne particles and aerosols ▪ Helps contain wearer's respiratory emissions
Intended Use	<ul style="list-style-type: none"> ▪ Required when on Campus and in Emory Buildings ▪ Required for ingress and egress; not required when working alone in an office with door closed ▪ Replaced / laundered daily ▪ Store in open paper bag to aerate 	<ul style="list-style-type: none"> ▪ Approved for personnel with task-specific hazards determined by EHSO 	<ul style="list-style-type: none"> ▪ Approved for personnel with task-specific hazards determined by EHSO 	<ul style="list-style-type: none"> ▪ Reserved for healthcare workers and other medical first responders ▪ Approved for personnel with task-specific hazards determined by EHSO

IMPORTANT NOTES:

- *Efforts should be made to conserve PPE while maintaining its integrity for use, during times of critical shortage. Store PPE that can be reused in an open paper bag labeled with first and last name of the wearer. Discontinue use and dispose of PPE that is soiled, damaged, or visibly contaminated. Follow your normal disposal practices; no special disposal method required.*
- *For questions about PPE conservation – Contact EHSO. 404-727-5922 | ehso@emory.edu*
