Select Training Registration

The registration page will default to your personal training needs (the radio button for **Self** is checked).

Click the radio button next to **PI** and select your name from the drop-down list. You can type your name in as well.

The screenshot shows a user interface with two radio buttons: 'Self' (unselected) and 'PI' (selected). To the right of the 'PI' button is a dropdown menu that is open, displaying a search bar and a list of names: Adler, Stuart; Anderson, Francille; Andrews, Charles; Augostini, Christopher; Bangor, Traci. Below the dropdown, there are input fields for 'Session' and 'Date'.

Once you select your name, the **Worker** box to the right of your name will become available. Select any of your staff from the list and the classroom options for that person will display. Only courses they are required to take will appear in the course list.

This screenshot shows the 'PI' dropdown menu now containing the name 'Hayles, Jody'. The 'Worker' dropdown menu to its right is open, showing a search bar and a list of names: Brown, Rodney; Chappell, Dempsey; Clarke, Floyd; Crenshaw, Aaron; Dudley, Dennis James. Below these dropdowns, there are input fields for 'Session', 'Date', 'Start Time', 'End Time', and 'Session'.
